Dear Household Goods Carrier,

**Subject: CORRECTED 062 Quarterly Report Form (enclosed)**

The 062 (2<sup>nd</sup> quarter of 2006) "Quarterly Report of Gross Operating Revenue" forms we mailed to you last week, printed on blue paper, contained a significant error: the multiplier on Line 5a was shown as .005, instead of .007. Enclosed is the corrected form, printed on green paper, and showing the correct multiplier, .007.

**Please read and follow these instructions:****1. If you have not already returned the blue form.**

If you have not already completed and returned the blue form you received previously, then PLEASE DISCARD THAT FORM. Report your revenue on the enclosed green form, calculating your fee based on the multiplier shown on Line 5a (.007). Return the green form, with your payment, to the address shown on the envelope that was provided to you with the blue form.

**2. If you have already returned the blue form.**

If you have already completed and returned the blue form you received previously, with your payment, then PLEASE DO NOTHING UNTIL YOU RECEIVE FURTHER INSTRUCTIONS. Your check will be cashiered by our processing agent in Sacramento, which will then forward your blue form to us. Upon receiving your blue form, we will again send you the corrected, green form (as enclosed) with instructions to complete it and remit the difference.

I apologize for any inconvenience this may cause for you. If you have any questions or concerns, please do not hesitate to call me at the number above.

Very truly yours,

Wilson E. Lewis, Supervisor  
Transportation License Section  
Consumer Protection and Safety Division
